

SURYA VAIDYANATHAN

Principal Product Manager | Agentic AI

Sammamish / Seattle, WA | vsurya08@gmail.com

PROFILE

Product leader with 16+ years building enterprise B2B SaaS products across SAP Concur and Microsoft Dynamics 365. Specializes in production agentic AI, enterprise workflows, and taking complex products from zero to one.

SELECTED IMPACT

T&E Approvals Agent | Microsoft Dynamics 365

Led Microsoft's first CRM production agentic AI system, deployed to 500+ enterprise tenants and featured in Satya Nadella's keynote. Drove the product across grounding, LLM evaluation, responsible AI, and enterprise readiness.
